

## PROFESSIONAL BEACH VOLLEYBALL POSTS

Art. No. 12 000

Posts made of oval 100 x 120 mm reinforced aluminium profiles, fixed in ground sockets with cross-piece. Bolt tensioning mechanism located inside the post, sliding eccentrically for easy adjusting and locking net tension in desired position by clamping the lock.

Five mounting points of the net for tensioning on every post.

Stepless adjustment of net height. Posts made to meet the standards of world top class tournaments.

**Posts made to meet the standards of world top class tournaments.**

Rope with a carabiner to attach a net.

Tension lock with the use of an eccentric that facilitates setting and blocking the tension of the net in a specific position by tightening lock.

Aluminium ground socket with cross-piece and wooden, impregnated beams for mounting in sand.
