INSTRUCTIONS FOR ASSEMBLY AND USE OF SPORTS EQUIPMENT

Product: **Volleyball post padding - standard**
Code: 11 004/S

The shield for volleyball posts meets requirements of the PN-EN 913:2019-03 and PN-EN 1271:2015-01 standard: "Playing Field Equipment - Volleyball Equipment. Functional And Safety Requirements, Test Methods".

1. Components

Number	Part/subassembly name	Quantity per product
1	Volleyball post padding	1

2. Installing the volleyball post shield

- Disassemble the shield removing the Velcro fasteners in the middle and lower part of the shield.
- Put on the shield so that it lies flush with the post, then fasten the Velcro fasteners at the top, middle and bottom part of the shield.
- The shield is to be put on after the post has been mounted in the sleeve and the net is fully tensioned.

3. Use of shields

- a) The shield is designed for volleyball posts in sports halls and outdoor facilities.
- b) Periodically check the fastening elements of the shield (Velcro fasteners) and the condition of the cover material.
- c) Do not subject the shield to mechanical damage (cutting, notching, burning, etc.).
